### U.S. Army Garrison Fort Greely transition to HPCON Charlie

This DOES NOT mean the installation will close – access to mission essential support for Mission Partners continues.

**Support us in the fight against COVID-19 and continue to monitor for illness.**

If you are sick, **PLEASE STAY HOME**. Anyone exhibiting **ANY** signs of COVID-19, including fever, cough, runny nose, or sore throat, immediately limit your interaction with others and contact your medical provider and/or the Army Public Health Team at +1(907)361-3057.

**CHARLIE**  
**SUBSTANTIAL**

Sustained community transmission

#### HPCON Charlie changes are effective Nov. 20

Our transition to HPCON Charlie is based on the continued increase in reported cases in Delta Junction and the potential risk to the installation. Changes include the following.

##### Continue taking all previous actions and:

- Expect cancellation of in-person gatherings (e.g., schools, daycare, all community activities) and restricted ability to travel.
- Plan activities for Family members, especially children, in case you are restricted to your home for prolonged periods of time.
- Prepare for the potential of limited access to supplies and services, including severely restricted access to military installations.
- Implement remote work procedures as directed by your employer.

- Maximum telework is authorized for garrison employees in an effort to minimize employee footprint/interaction through at least Jan. 4.
- At this time, there will not be any significant changes to existing FMWR programs and services. Our assessment is that we can safely operate within established mitigation measures.
- The Fort Greely Dining Facility will transition to take-out services beginning Nov. 23.
- The Fort Greely Medical Clinic requires all patrons to call in advance at +1(907)873-4975 before entering. Children under 12 are not permitted in the facility unless they have an appointment. All clinic patrons will have their temperature screened.
- The Child Development Center and School Age Children's programs will be closed through Friday, Nov. 27. During the quarantine period, child care fees will be waived. Services will reopen Nov. 30.

**PROTECT OUR WORKFORCE AND ENSURE  
THE SECURITY AND SAFETY OF OUR PERSONNEL  
AND THE READINESS OF OUR WARFIGHTERS**
